## Who will I Share this with?

After you have heard from God through his word and received your next step of obedience, consider the questions below to help you identify who you will share it with:

- Who is it within my circle of influence that needs to hear what I have heard from God?
- Who can, and needs to, benefit from my next step in obedience?
- What need can I meet in that persons life?
- Is there a new relationship in my life that I need to share this with?
- Is there an old relationship in my life that I need to share this with?
- Is God calling me to share this with someone in my family? Place of work? Neighborhood?
- Who do I know that still has not heard the good news of Jesus Christ?
- Who is it that God has laid on my heart to serve and to share this with?
- What can I ask my D-Group to do in order to hold me accountable?
